These Conditions of Sale constitute the terms of the Notice of Sale, and must be accepted by all parties attempting to sell or buy stock at auction.

Other specific Vendor or NZSSA terms may apply to the sale of the stock and may be available for self-service or computer formation for any driver.

17. Unsold Stock

No stock sold at all is the risk of the Vendor, and the Auctioneer is not responsible for its condition or sale.

The Vendor agrees with the Auctioneer that any other driver or person purporting to act on behalf of the Vendor or any other person purporting to act on behalf of the Vendor in the sale of the stock and the Vendor is not in any way liable or responsible for any accident occurring to any person or thing on or about the Vendor's premises or in connexion with any auction, or for the condition of any property or any losses or damages occasioned to any person or thing thereon, nor shall the Vendor or the Auctioneer be liable for any injury, loss or damage occasioned to any person or thing thereon.

The NZSSA and Auctioneer must determine which terms prevail.
